

# SELF EMPLOYED INCOME DECLARATION FORM COVID IMPACT

Instructions for completing form and income figures:

- Customer to complete the below declaration form and return to broker
- Broker to add note to portal at DIP stage to highlight Covid Impacted and rationale
- Based on our new self employed COVID impacted criteria TML will look at the latest 3 months bank statements to confirm current trading levels and assess along with previous years accounts
- Current turnover amount based on latest 3-month business bank stats to be multiplied by 4 (to give expected annual figure)
- Costs and profits % from previous trading year to be applied to above figure to determine income figure

Please speak to your local BDM or The Hub before submission, details here: [www.themortgagelender.com/intermediary-sales-team](http://www.themortgagelender.com/intermediary-sales-team)
